3 in Xfinity
Justification
| from: state of sci
| & : state of grace

I-II p. 113

from rationalization of $\frac{sci}{=}$ | individual
| social
as $\frac{sci}{=}$

4 Spontaneous : not via truth
objective | empirical
| normative
"hard" fact

Means: can never be getting

Naive mistaken account

Empiricist empty world of | whole
| true

Idealist same world of reality

philosophy ref't : in measure it is lived

Martian White : Princelton Basel
empiricist regard of scholarship

" Being an entrepreneur"
specialization opt for "feeling"
concern "past time"
can only cyclic shifting OK

Plan increased | where equation feeling
involvement syndicated
