Theological Development

I Dev. of particular questions

II Dev. of Theology | School of Alexandria, Antioch.
Medieval
Renaissance
Modern

III Dev. of Theory of Theology : its nature + method

IV Dev. of Theory of development of Theology

Mystical tendency α St John : Love one another — Jesus in Bros. in Him

β Aquinas : Christ in middle of the Soc.

Organizational tendency ± Form seminaries - cf. training in Polytechnic — Russia, Maxi, Fourier

β Defense against Society → salvation of soul
→ salvation of principle

Rimini, Dale

Development : Transforming : Data raised by understanding to order of truth

Its consequences : Truths arranged by understanding = cpt. order

I Pol. Sc. Data → understanding → Conceptual system

→ Reflection → Theory

Free data → Reflection → Autotheory

→ New understanding → New Conc. Syst.

→ Reflection → Synthesis

II Hist

Revelation → Faith → Problems → internal schemes | same, different laws

→ external schemes | incompatible, less compatible

Organisation, unification, simplification

Translation, interpretation, correction & sanctioning → Understanding → Conceptual system → if speech unchanged, if mode of conception unchanged

→ Reflection → Theory

Earlier study → Reflection → Autotheory

→ New Understd. → New adjusted system

→ Reflection → Synthesis

If Pol. X post-functions = ... Theology = ... Dialectics
