Dear Father Lonergan:

The First Sesquicentennial Conference, "Theology in the City of Man" is receiving, among various groups and persons, enthusiastic response. Many have commented that because of the caliber of speakers and panelists the conference is assured of success.

In a previous letter to you, we indicated that we would be pleased to offer you an honorarium as well as travel expenses and accommodations. If you desire we shall be happy to advance your travel expenses if you will let us know the amount thereof. The hotel accommodations will be paid by this office and the motel has been so notified. Reservations have been made for you at the Bel-Air West Motor Inn, 4630 Lindell Blvd., St. Louis, 63108 (314 FO 7-7500). If you desire, we will meet you at the time of your arrival. If not, the airport limousine stops at the motel. We will make arrangements for your honorarium to be paid immediately at the end of the conference or shortly thereafter.

The first event which we hope you will attend is a dinner for all participants in the conference in the United States Room, Busch Memorial Center, Grand and Laclede Avenues at 5:30 p.m., October 15, 1968.

If there are any further questions, please write. We look forward to your visit with us.

Sincerely,

Joseph J. Simeone
Director
