

Question for Method and Insight seminar, 11/4/76:

Why have we jumped from Chapter 14 of Insight to Method? Is it no longer valid to proceed to ethics and general and special transcendent knowledge by means of metaphysics? Does the apprehension of value affect these enterprises?

Validity vs. Manducatio

"Insight" Study of Human Understanding

Method II "Good in context of religion"

"Insight" The Possibility of Ethics

Method II The Human Good
