Univ State Univ. Penn
1981

Existential

drift -

do say that does
what way on the same
that

+ they arrive at an different too

exist ex-sistence

Problem of method in cath. theol.

hist Longus - Dict. theol. cath. - "Théologie"

PP Apostolic Fathers, Apologists;

Controversial w outsiders e. G. Celsus
w. various heretics

Occasional

John Damascene 675-749 De fide orthodoxa

MYK Anselm, Abelard, E. Chart & Porrete,
Lombard & others Bks of Sentences (verdicts, opinions)

~~Canon of Sentences~~
texts for Sch. Cl. pp. Reason
in ordered series of topics

Peter Lombard - most famous
- most used - more materials than
discussed

up to early 17th century Estius

Canon of Sentences

up to Aqu. in his Sent about 1258

is hard texts

100 y. hist of theol. controversies.

Theol. in 13th was ongoing, developing

Main development: use of Arist

reconciliations of authorities vain

of solutions not free from contradictions

Bagin/Kick - conceptualities -

explorations Don Fran.

using Ar as thought Father of the Church

dist. he was quoted a great deal C

he was used as Ser CC PP N

he was adopted to provide

Bagin/Kick S

but we saw at end of 13th had any

when Bagin/Kick

of its meaning

Honest before

Sectus

accept organism

do not force on part of corp Ar it

Method introduced yields to Ar idea of science
