8/13/91

Where are the pages removed after BL event to Reno?

In Batch X, File 39

– at very end of ~~bottom~~ third drawer.

T.C.

INSIGHT. Revisions and Explosions.

1. All references to MS are to page numbers written in ink in upper right hand corner.

2. Remove previous preface [MS pages 1 - 8] and insert new preface [pages 1 - xiii].

3. Introduction. Delete last two lines [MS page 24] and remove MS page 25. Insert new page 25.

4. Chapter I. Delete last two lines [MS page 58] and remove MS pages 59 - 75. Insert new pages 59 - 75.
New footnote to page 80

5. Chapter II. Remove MS pages 85 - 107 and insert new pages 85 - 107.

6. Chapter III. Remove MS pages 150 - 159 and insert new pages 150 - 152.

7. Chapter V. Remove MS pages 261 - 265 and insert new pages 261-264.

Remove MS pages 273 - 283 and insert new pages 273 -275. New page 302
& Chapter XV New footnote 704.

N. B. There are nineteen additional pages in Chapter II but thirteen fewer pages in Chapters III and V.

N. B. Copy out last line from MS page 25 on the top of MS page 26. It was missed on carbon copies of new page 25.
