Munus nobilissimum

Transcription of 86900DTEL60

δ the task – munus nobilissimum

fields – break-down of task

world of community: common sense matters of fact existential history  
tradition religion magisterium

world of theory – *die Wendung zur Idee*: not system in ideal abstract  
formulation

but as commonly grasped / as concretely effective

dogma, theology, dogmatico-theological context

orthodox: Trin  
Christ  
Supern  
Church

heterodox

world of interiority: if agent intellect, divine faith, gifts of H.S.  
fall or conversion, subject, foundations, method  
quidquid recipitur: doing[?] grounds theories[?]  
30 60 100 fold

justification of dogmatico-theological context

(1) is justification of *die Wendung zur Idee*: of objective process of development  
of added world of theory  
of its concrete consequences

(2) is justification of type of interiority that initiated previous  
*die Wendung zur Idee*

(3) is genesis reproduction of such interiority towards continued development  
DB 1800, 2314

(3) concrete grounds (2)

(2) understands, grasps normativeness immanent in (1) [ $\equiv$  (1)]
